

ProVerde Wasp & Hornet Killer

Distributor: AMGUARD Environmental Technologies

Registrant: Envance Technologies, LLC

GENERAL

EPA Registration #:		Signal Word:	CAUTION
Active Ingredient:	0.89 - Geraniol	Application Methods:	Ground
Label Version:	L9171-v050119	Mode of Action:	
Physical State:		Toxic To:	None
Product Type:	Insecticide	Rainfastness:	
Formulation Type:	Aerosol		

ADDITIONAL INFORMATION

Federally Restricted:	No		
Organic Certifications:	None	Other Certifications:	None
Posting Required:	No	Closed Mixing System Required:	All applications in All States/Provinces: Not required
Oral Notification Required:	No	Avoid Grazing:	Yes

CALIFORNIA

Registration #:	CA Restricted:	No
CA NOI Required:	No	

REGISTERED FOR USE IN

Response Number: 800-424-9300**Medical Number:** 866-257-4118**SDS Hazard ID Signal Word:** Danger**GENERAL NOTICE 1**

Kills fast! Destroys nests! Sprays up to 15' Safe for use on utility & telecom equipment* CAUTION KEEP OUT OF REACH OF CHILDREN See back panel for additional precautionary statements. *Dielectric Breakdown Voltage of 33,730 Volts

GENERAL NOTICE 2

DIRECTIONS FOR USE Read entire label prior to use and use product as directed. It is recommended that applications for purposes of killing stinging insect nests be made after dark as the colony members will be less active. Care and proper precautions should be taken to mitigate the hazard of application to stinging insects and their nests when attempted during daylight hours. Applicators should consider the use of protective bee veils and suits. **NEST:** For optimal results, application should be made during dawn or dusk when insect activity is low and colony members are present within the nest. Stand a safe distance away from the nest and take a position up wind of the nest site. This product produces a stream that reaches up to 15 feet. Do not stand directly underneath the nest. Aim product at nest by holding container upright with nozzle directed away from face with the prevailing wind at your back. Press nozzle down and apply product until the nest is thoroughly saturated to ensure the entire population is terminated. A follow up inspection is recommended 24 hours later to ensure that the nest has been completely killed. Wait until no further activity is observed prior to attempting to remove the nest. **STINGING PESTS:** Hold product upright with nozzle directed away from face. For best results, spray insect thoroughly until wet.

GENERAL NOTICE 3

PRECAUTIONARY STATEMENTS With direct contact, may cause moderate eye irritation. Wash hands thoroughly with soap and water after handling. Avoid contact with eyes and skin. **FLAMMABLE.** Keep away from heat, sparks, grills, and open flames. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130 degrees F may cause container to burst. Do not apply directly to plants. Treated surfaces may be slippery when wet; clean up excess material. This product may stain porous or unsealed surfaces. Prior to use, spray a small inconspicuous area to determine if staining will occur.

GENERAL NOTICE 4

FIRST AID If In Eyes: If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. If On Skin: Wash thoroughly with soap and water. If Inhaled: Move affected person(s) to fresh air. If Ingested: Rinse mouth out with water and contact a doctor for treatment advice. If irritation develops, contact a doctor or poison control center for treatment advice. Have the product label or container with you when calling a doctor or going for treatment.

GENERAL NOTICE 5

STORAGE AND DISPOSAL Any unused product must be disposed of on site or at an approved waste disposal facility. **STORAGE:** Do not puncture or incinerate container. Store at room temperature away from heat, sparks or open flame. Do not expose to heat or store at temperatures above 130 degrees F. **DISPOSAL:** Do not reuse or refill this container. When container is empty, recycle if available or dispose of in trash. **FOR CHEMICAL SPILL, LEAK, FIRE OR EXPOSURE CALL: CHEMTREC 1-800-424-9300 FOR MEDICAL EMERGENCIES ONLY CALL: 1-866-257-4118**
